Today we went to see Barack Obama. We had to walk there. We got there early. An hour later we got in. A nice person gave us flags. Carrie & I got special tickets. Then we had to go through security. We had to wait 2 hours & a half. Then he came. It was awesome. The Ambassador gave a speech. Then Barack Obama gave one. Then he shook hands with me. It was awesome. Then he got to be in a picture with us. Then he left. I got a drink of cold water. Then I saw his limousine. Then we left.
